Hi Bicky and Joann,

I have attached one ore letter that was sent by the Tribe today to the Colonel requesting that the issue of access to information and retention of experts be elevated to the Col. Under the dispute resolution provision of the MOU.

Subject: Response Letter

Marcia,

Please find attached a response letter to the 10/12/2012 letter that was sent to me last week by Renee Sedlak, Acting Chief of the Regulatory Division. A hard copy and attachments will also be placed in the mail. Please also find attached a letter that we received this morning from Senator Begich.

Thank you very much.

Yours sincerely,
